BY ORDER OF COMMITTEE.

In the June number of "Success Magazine" Gilson Gardner tells a fable of a piece of cheese, a gander and a fox and likens it to certain phases of the political situation. Charles Samuel Tator writes of "The Fate of Old Ministers" and Charlotte Perkins Gilman tells how one woman took care of many babies with greater success than their own mothers had experienced. Harris Dickson, in "The Changing South," and Robert Haven Schaffer, in "Elizabeth and Her American Farm," deal with revolutionary changes in farm life. "The Rich Student and the Tutoring Trust," by George Allan England, shows that all are not benefited by college life. Orison Swett Marden's editorial is entitled "To the Graduate." The fiction consists of "Pip pin and the Goshen Lady," by Evelyn Van Burnen; the second installment of "The Sky Man," by Henry Kitchell Webster; and another adventure of "Jimmy Pepper-ton of Oshkazoo," by Robert Barr.

Lived 152 Years

Wm. Parr, England's oldest man, married the third time at 121, worked in the fields till 132 and lived 20 years longer. People should be youthful at 80. James Wright, of Spurlock, Ky., shows how to remain young. "I feel just like a 16-year-old boy," he writes, "after taking six bottles of Electric Bitters. For thirty years Kidney trouble made life a burden, but the first bottle of this wonderful medicine convinced me I had found the greatest cure on earth." They're a godsend to weak, sickly, run-down or old people. Try them. 50 cents at A. F. Cox & Co's.

Special Concert

A special concert will be given at the Just School of Music, Monday night, May 31. This will be the best concert given so far as only the best talent will take part. Among those who will be on the program are: Peyton Gulick, the Misses Pearl and Fern Loy, Boyd Davis, Chas. Baker, Geo. Rauch. Prof. Just will give three piano solos. The program will consist principally of orchestra music.

All seats purchased before May 30 will be 15 cents, after that date 25 cents. Seats on sale at Knapp's.

Smashes All Records.

NATURE'S WARNING

Monett People Must Recognize and Heed It

Kidney ills come quietly—mysteriously.

But nature always warns you.

Notice the kidney secretions.

See if the color is unhealthy—

If there are settlements and sediment

Passages frequent, scanty, painful.

It's time then to use Doan's Kidney Pills.

To ward off Bright's disease or diabetes.

Doan's have done great work in this locality.

Mrs. Thomas Gilmer, Peirce City, Mo., says: "I began to have trouble with my kidneys about three years ago. Any exposure to damp weather or the least cold I contracted caused a pain in the small of my back which often lasted for several days. When having one of these spells, the kidney secretions were generally too frequent in passage but the flow was very scant. Several months ago I obtained a box of Doan's Kidney Pills and began using them. My back has given me very little trouble since and my kidneys have been in much better condition. Doan's Kidney Pills are worthy of a trial by anyone suffering from kidney complaint." (Statement given Jan. 12, 1907.)

On December 12, 1908 Mrs. Gilmer confirmed the above endorsement in the following words: "I heartily recommend Doan's Kidney Pills again as I still think highly of them. Since this remedy brought me such great relief, I have recommended it at every opportunity."

For sale by all dealers. Price 50c.
